THE BIG GUY WITH THE WHITE BEARD IS ON HIS WAY

Here we go again Gents, the big day begins to loom.

The Countdown

The Huddle (and hassle)

The Bustle

The Merriment (the hangover)

Aunty Dotty with her moustache....

SO, ARE YOU GETTING ORGANISED?

Now then chaps it has long been recognized that you are very prone to leaving everything to the last minute at this time of year...yes you know what we are talking about...the Christmas thing!

The idea of trudging for miles around over heated, overcrowded and overpriced shops may fill you with dread, despair and quite frankly you'd rather have your feet up with a pint watching the match.

UNDERSTOOD...

However (and there's always a however, like there's always a but)

Sometimes, just sometimes you have to show willing and snap into a bit of super "He man" power and just nail the list of what's to be done, purchased, organized and dealt with. Ok, so it's maybe just not your thing, and that's fine of course it is. But perhaps for the people around you it is their thing and so they would seriously love your willing pair of hands to help out.

It's always going to be hard to recapture that fuzzy childhood feeling... shame we lose it...

So, let's get our best foot forward and just take the bull by the horns as they say and get stuck in. It will come and be all gone again in the flash of your grannies' long Johns

So just go with the flow, you never know you might enjoy it.

Go on... give it a go, enter into the spirit, why not chaps!

Enjoy the little things in life for one day you will look back and realize they were the big things

You've got this

Cheers Chaps
